Dear Ms. Banister:

In accordance with 40 CFR 58.10, the Alabama Department of Environmental Management (ADEM), the Jefferson County Department of Health (JCDH), and the Huntsville Division of Natural Resources and Environmental Management (HDNREM) have prepared a consolidated Annual Network Plan for the State of Alabama. The plan was placed on the ADEM website on May 23, 2017, to start a 30 day public review period. The review period concluded at the close of business on June 23, 2017.

During the 30 day public review period, ADEM received comments from several individuals and organizations. ADEM and JCDH reviewed the comments and responded to the commenters. No changes were made to the plan based on these comments.

The following items will be submitted electronically to Todd Rinck and Darren Palmer:
